

## **REMARKS**

After entry of the present Amendment, claims 1-16 and 18 remain in the application. Specifically, claim 1 has been amended, claim 17 has been canceled, and claims 2-16, and 18 remain unchanged.

Based on the indication of allowed claims 1-16 and 18 by the Examiner (described immediately below), the instant claims are now in condition for allowance. No new matter has been added in this Amendment.

### ***Claims Amendments and Comments***

On page 2 of the instant Office Action, the Examiner indicates that claims 1-16 and 18 are allowed. The Applicants thank the Examiner for the indication of allowance.

As such, in an effort to facilitate prosecution of the pending application and obtain a Notice of Allowance, claim 17 has been cancelled. In addition, claim 1 has been amended merely to fix a typographical error, where the word “at” has been added merely for the purpose of proper grammar. The Applicants respectfully assert that this amendment does not change the scope of claim 1 in any way, such that the indicated allowance of claim 1 is not affected. Therefore, the claims, as amended, are now in condition for allowance, as well as the claims that depend therefrom.

### ***Claim Rejections***

Claim 17 stands rejected under 35 U.S.C. §101. Claim 17 has been canceled as described above. As such, this rejection is now moot.

***Conclusions***

The Applicants respectfully submit that independent claim 1 is both novel and non-obvious over the disclosure, teachings, and suggestions of the prior art. As such, claim 1, as well as the claims that depend therefrom, are in condition for allowance.
